News Release

For Immediate Release

TOPS® ENGINEERING IS NOW TOPS® SOFTWARE CORPORATION

RICHARDSON, Texas, January 1, 2011 – TOPS® Software Corporation announced today it has officially changed its name from TOPS Engineering.

Bill Rehring, President of TOPS® Software Corporation stated, "Our new name better reflects the line of business we are in and the products and solutions we bring to our customers." TOPS has been the world leader in the development of innovative software for the packaging and distribution professionals in areas of package design, palletization and cargo load optimization.

"While our name has changed", Mr. Rehring continues, "our commitment to excellence and innovation is stronger than ever. We have over 8,000 software installations worldwide and are dedicated to delivering extraordinary products and services to these customers."

About TOPS® Software Corporation

TOPS® Software Corporation, incorporated in 1990, is the world leader in the development of innovative software for the distribution and packaging professionals. Its flagship products, "TOPS®Pro" - Package Design and Palletization software and "MaxLoad®Pro" - Cargo Load Planning and Optimization software, has over 8000 installed base worldwide and serves big and small corporations across wide industries. TOPS® also offers the first web-based package design software, TOPS*e*PAC®, allowing package engineers to perform design and analysis anytime, anywhere, on any platform using any internet browser.
