## **News Release**

### **For Immediate Release**

### **TOPS ENGINEERING AWARDED INBOUND LOGISTICS TOP 100 LOGISTICS IT PROVIDER FOR 2006**

**RICHARSON**, Texas – April 28, 2006 - TOPS® Engineering Corporation, a leading provider of software for package design and distribution announced today that it has been awarded the “Inbound Logistics Top 100 Logistics IT Provider for 2006”. This prestigious honor is awarded to the top providers of logistics solutions among over 300 candidates whose drive to provide solutions that create value for its customers.

The Top 100 list will appear in the April 2006 issue of Inbound Logistics as well as available online at [www.inboundlogistics.com](http://www.inboundlogistics.com).

“We are honored to join the prestigious list of companies,” responded William J. Rehring, President and Director of Operations for TOPS Engineering. “TOPS’ mission has always been to provide timely and technological solutions to our customers. We listen and respond to their requirements and offer best-of-breed, all-encompassing solutions to ensure quick ROI and efficient implementation.”
